Campus(es)	Harrisburg World Campus

This graduate certificate program supplements the body of knowledge and educational credit requirements necessary for licensure as a Certified Public Accountant (CPA) in most states.

With program approval, all four courses in the certificate may be applied to the online Master of Professional Accounting degree, subject to restrictions outlined in GCAC-309 Transfer Credit (<http://gradschool.psu.edu/graduate-education-policies/gcac/gcac-300/transfer-credit>). Certificate program students who wish to have the certificate courses applied to the master's degree program must formally be admitted to the master's degree program. Admission into the master's degree program is a separate application process and is not guaranteed. Upon admittance to the master's degree program, certificate courses completed with a grade of B or better may be transferred into the program.
