

PUBLIC HEALTH PREPAREDNESS GRADUATE CREDIT CERTIFICATE PROGRAM

Person-in-Charge	Eugene J. Lengerich
Program Code	PHPGC
Campus(es)	World Campus

This 12-credit graduate certificate program provides students with training in public health preparedness, which is the capability of public health, hospitals, and health systems to prevent, protect against, respond to and recover from health emergencies. A distance education format is used to accommodate professionals already active in this area.

Effective Semester: Spring 2025

Expiration Semester: Summer 2029
