Requirements listed here are in addition to requirements for minors in Graduate Council policy GCAC-218 Minors (<https://gradschool.psu.edu/graduate-education-policies/gcac/gcac-200/gcac-218-minors>).

A Ph.D. minor in Demography is available for doctoral students in graduate programs other than the dual-title participating programs who find it advantageous to include demographic content, methods, and policy analysis in their program of study. The student's Ph.D. committee must approve the choice of this minor, and one member of the Ph.D. committee must be from the Demography Graduate Faculty.

To qualify for a minor in Demography, students must satisfy the requirements of their graduate primary program and take at least 15 credits as follows:

SOC 573	Demographic Techniques	3
Select 9 credits from among the list of approved classes available from the Demography Chair.		9

Particular courses may satisfy both the graduate primary program requirements and those of the Demography minor.
