Student Aid

Graduate assistantships available to students in this program and other forms of student aid are described in the Tuition & Funding (<https://gradschool.psu.edu/funding/>) section of the J. Jeffrey and Ann Marie Fox Graduate School's website. Students on graduate assistantships must adhere to the course load limits (<https://gradschool.psu.edu/graduate-education-policies/gsad/gsad-900/gsad-901-graduate-assistants/>) set by the Fox Graduate School.

Graduate students participating in the dual-title Demography program are eligible for Demography Research Assistant positions, which are awarded on a semester basis.

Dual-title Demography students who are U.S. citizens are also eligible for demography-related National Institutes of Health T32 predoctoral training positions and funding.
