Joint Degrees

Joint J.D./M.H.A. with Penn State Law

Requirements listed here are in addition to requirements listed in GCAC-211 Joint Degree Programs (<https://gradschool.psu.edu/graduate-education-policies/gcac/gcac-200/gcac-211-joint-degree-programs/>).

Penn State Law (University Park) and Health Policy and Administration (HPA) offer coordinated programs of studies leading to the degrees of Juris Doctor (J.D.) and Master of Health Administration (M.H.A.).

Admission Requirements

Students applying to the joint degree program must be admitted separately into both Penn State Law and HPA. Students must first be admitted to the law school and must complete the required first-year curriculum in the J.D. program before commencing the M.H.A. component. Admissions requirements and applications for admission for Penn State Law are listed in the J.D. Admissions (<https://pennstatelaw.psu.edu/penn-state-law-jd-admissions>) section of the Penn State Law website. The admission requirements for the Health Policy and Administration graduate program are listed on the Admission Requirements tab. Application to the MHA program must take place through the Graduate School Application. Formal admission to the M.H.A. program would normally take place during the student's first year of law, but HPA may extend provisional admission to the M.H.A. program at the time an applicant applies to Penn State Law particularly where an applicant's law school choice depends upon admission to the J.D./M.H.A. joint degree program. At the student's request, the LSAT may replace the GRE for joint degree admissions purposes. International applicants to the joint degree program who do not qualify for the TOEFL exemption must have a minimum TOEFL score of 88 on the internet-based test (with a minimum speaking score of 20), or a minimum of 575 on the paper test; a minimum of 6.5 on the IELTS will also be acceptable.

Residency

Students in the program will spend six semesters in Penn State Law and two to three semesters in HPA.

Liaisons

The director of the HPA M.H.A. program and the Penn State Law Associate Dean for Academic Affairs are designated program advisors and liaisons between the programs. Students will need to work with these designated program advisors and their individual faculty advisors from both programs to build an individual program.

Inter Program Transfer of Credits

Courses cannot be transferred or shared until the applicant is officially admitted to the joint program. Retroactive transfers of courses taken prior to admission to the joint program are not permitted.

Penn State Law

Penn State Law will accept the transfer of twelve (12) credits from the M.H.A. program's required core curriculum as elective credit towards the J.D. Students must obtain a grade satisfactory to the program in order for the credits to be transferable.

Health Policy and Administration

HPA will accept the transfer of twelve (12) credits from the Penn State Law curriculum towards the M.H.A. in lieu of:

1. two M.H.A. electives,
2. a required M.H.A. course in health law, and
3. one other required M.H.A. course as determined by the student and their advisors.

Specific law course selection for transfer to the M.H.A. will be dependent on course offerings available at Penn State Law. Students must obtain a grade satisfactory to the program in order for the credits to be transferable.

Recommended Program of Study and Advising

The director of the HPA M.H.A. program and the Penn State Law Associate Dean for Academic Affairs are designated program advisors. In addition, students will have individual faculty advisors in both programs. Periodic interaction between the two advisors will be encouraged. A program of study will be developed for each student.

Tuition

Students will be charged the applicable Penn State Law tuition to cover the J.D. program and the applicable graduate tuition to cover the M.H.A. degree program. Penn State Law tuition will be paid for the semesters in which the student is registered for Penn State Law courses, and graduate tuition will be paid for the semesters in which the student is registered for graduate courses in the M.H.A. program. A student may take up to one course (3 credit hours) per semester in the program where the student is not primarily registered without any change in tuition, but must pay additional tuition to the program that the student is not primarily registered if he or she wishes to take additional course work pursuant to that program during the semester.

Financial Aid and Assistantships

Decisions on financial aid and assistantships will be made by each school according to that school's procedures. Students on graduate assistantships must adhere to the course load limits (<http://gradschool.psu.edu/graduate-education-policies/gsad/gsad-900/gsad-901-graduate-assistants/>) set by The Graduate School.

Fulfillment of Degree Requirements and Graduation

A student in the program may complete the requirements for one of the degrees and be awarded that degree prior to completing all the requirements for the other degree; provided, however, that the student shall have successfully completed at least two semesters of work towards the other degree. All courses in one program that will count towards meeting the requirements of the other must be completed before the awarding of either degree. Students will be required to fulfill all requirements for each degree in order to be awarded that degree, subject to the inter-program transfer of credits.
