

INTERNATIONAL AGRICULTURE, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

Graduates of the International Agriculture minor go on to use their global understanding in a wealth of careers such as:

- Non-Governmental Organizations including Cultivating New Frontiers in Agriculture, DAI, and local food banks.
- Government, including the U.S. Department of Agriculture's Foreign Agriculture Service, and working for U.S. representatives in Congress.
- Private industry including Hershey, Mars, and Corteva.
- Entrepreneurial efforts including an equestrian start-up and a community supported agriculture (CSA) farm.
- Academia including research and teaching in nutrition, food security, veterinary medicine, and agricultural education.
