College Procedures

Change of Campus

Change of Campus offers the opportunity to begin at one of our campuses and complete your degree at another campus. The process is based on whether or not a student can schedule classes and make academic progress at their current and proposed campuses. Change of Campus requests for non-academic reasons (e.g., participation in a club/sport, employment, housing, or to enroll in classes for a minor) will not be approved.

Concurrent Majors

A Concurrent Majors Program is one in which students take courses to concurrently meet the requirements of at least two majors, with graduation for all majors in the program occurring during the same semester. Baccalaureate or associate degree students can earn degrees in more than one Penn State major. When completing concurrent majors, students simultaneously complete all academic requirements for their majors with two (or more) degrees in the same semester. Students apply for concurrent majors in the Update Academics module of LionPATH. Students should meet with their advisers for more information and to discuss any program limitations.

Academic Warning

A student who fails to earn a 2.00 cumulative grade-point average will be placed on academic warning. A student placed on academic warning will have a hold placed on registration and will be required to meet with an academic adviser in order for this registration hold to be removed. To remove academic warning, the cumulative grade-point average must be 2.00 or higher.

Academic Suspension

A student in academic warning who fails to maintain a semester grade-point average of 2.00 or higher will be academically suspended. A student who has been academically suspended may not schedule courses at the University for two consecutive semesters. (Note: Summer session is equal to one semester.)
