

MULTIDISCIPLINARY STUDIES, A.A. (ALTOONA)

Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: Altoona

End Campus: Altoona

Program Learning Objectives

- **Communication:** Students demonstrate ability to communicate the significance and stakes of the multidisciplinary nature of their individual theme clearly and effectively.
- **Communicative Cultural Competence:** Students will demonstrate ethical reasoning and nuanced communication skills in relation to situations, issues and questions built from a variety of perspectives and life experiences.
- **Professional Identity Development:** Students will effectively explain their synthesizing of multiple disciplinary perspectives into a cohesive intellectual pursuit and/or a prospective professional identity.
- **Theory and Application:** Students demonstrate facility with application of theoretical ideas in scholarship, creative activity, engaged learning projects or other forms of academic engagement as suited to individual student themes and fields of specialization.
