

MUSEUM STUDIES, CERTIFICATE

Requirements for an undergraduate certificate may be completed at any campus location offering the specified courses for the certificate.

Certificate Learning Objectives

- **Knowledge of history and contemporary issues:** Students demonstrate understanding the history of museums and contemporary issues facing museum professionals in the United States and globally.
- **Museum ethics:** Students understand professional ethics related to the acquisitions, storage, and display of cultural heritage.
- **Practical museum skills:** Students have gained professional experience in at least one area of museum operations by completing at least 3 hours of internship.
- **Research skills for museums:** Students know how to conduct research on museum collections, including how to trace an object's provenance.
