Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: University Park

End Campus: University Park

Career Paths

B.M.A. graduates are prepared to embark on careers in performance or to pursue graduate studies in music. If a degree outside of music was also earned, graduate study or a career in the non-music area is also possible.

Careers

Graduates of the B.M.A. in music program enter the workforce with a unique skill set that reflects their accomplishment as a performer as well as knowledge in another field. Graduates may pursue careers that pair their musical knowledge with a secondary area. The possibilities are as extensive as the graduate's imagination.

Opportunities for Graduate Studies

The B.M.A. in music degree provides a comprehensive education in performance. Graduates are well prepared to pursue advanced or terminal degrees in many areas of music. Performance, conducting, theory, musicology, and composition are some of the areas where graduates can excel if they pursue graduate studies.
