

PENN STATE ERIE, THE BEHREND COLLEGE

Resources

Academic and Career Planning Center

Having a solid academic plan and preparation for the internship and job search is vital for success in a competitive world. The Academic and Career Planning Center can assist you with both the big picture ("Which career is right for me?") and the details ("How do I create a resume?").

English Language Study Center

The English Language Study Center offers classes and support services designed to help multicultural learners develop the reading, writing, and speaking skills needed to succeed on the job or in the university-level classroom.

Health and Wellness Center

Penn State Behrend has two on-campus Health and Wellness Centers that can diagnose and treat most illnesses and minor injuries. The centers also help students to manage chronic health conditions or obtain needed immunizations. Most major insurances are accepted.
