College Procedures

Change of Campus

The University admits first-semester baccalaureate degree candidates to a campus location that can provide at least two semesters of normal progress toward the program they have selected. In most cases, students are expected to complete two full years of academic work at their initial campus.

Concurrent Majors

A Concurrent Majors Program is one in which students take courses to concurrently meet the requirements of at least two majors, with graduation for all majors in the program occurring during the same semester. A student wishing to pursue simultaneous (concurrent) degrees or multiple majors must submit a request to the appropriate Program Coordinator through their faculty adviser. The student must await approval of the academic plan and the majors before enrolling in the second major. Review the full policy below.

Academic Warning

A student who fails to earn a 2.00 cumulative grade-point average will be placed on academic warning. A student placed on academic warning will have a hold placed on registration and will be required to meet with an academic adviser in order for this registration hold to be removed. To remove academic warning, the cumulative grade-point average must be 2.00 or higher.
