

INFORMATION SCIENCES AND TECHNOLOGY, B.S. (CAPITAL)

Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: Any Penn State Campus

End Campus: Harrisburg

Program Learning Objectives

- **Apply Information or Security Sciences:** Demonstrate an understanding of how to apply the interdisciplinary, theoretical knowledge of the information sciences or security sciences.
- **Apply Problem-Solving Techniques:** Demonstrate an understanding of how to apply and adapt various problem-solving strategies, using appropriate technology and methods.
- **Commitment to Continuous Learning:** Demonstrate an understanding of the importance to commit to the continuous acquisition of relevant knowledge for professional development by self-teaching and/or on-going education and learning.
- **Communicate Effectively:** Demonstrate the ability to communicate and present within the project team in a way that is clear and appropriate to the audience.
- **Understand Responsibilities:** Demonstrate an understanding of the importance of professional responsibilities in terms of the ethical, legal, security and social aspects of any given problem and its solution.
