Entrance to Major

Eligibility for entry to the Special Education program is based on the following set criteria:

1. Cumulative grade-point average of 3.00 is required (all PA teacher preparation programs require a 3.0 at entry and exit of program)
2. Applicants must complete a number of prerequisite courses and other requirements. The following courses must be passed with a grade of "C" or better: CI 280, EDPSY 10 or EDPSY 11, EDPSY 14, EDPSY 101, EDTHP 115, MATH 200, PSYCH 100, PSYCH 212.
3. Documentation of at least 80 hours of volunteer or paid education work experience with learners of the age group the candidate plans to teach. Candidates for Special Education must document two separate 40-hour experiences in two different settings, with learners who have special needs. One experience should include learners with a different level of severity or functioning (e.g., mild/severe, young/adult) from those learners in the other experience. One experience should also include learners with cultural, social, or ethnic backgrounds different from the candidate's own.
4. Completion of at least 48 semester credit hours, including ENGL 15 or ENGL 30H, and 3 credits of literature.
5. Approval from the professional education adviser or the head of the pertinent certification program.

Students may be admitted to the program by declaring Special Education as a major, transferring from a previously declared major, or transferring from another institution of higher education.

Students cannot be formally admitted to Special Education before their fifth semester.

Students are assigned to one selection pool. For example, Freshmen admitted in the summer or fall of 2014 are automatically assigned to the spring 2016 selection pool. Students who wish to transfer into Special Education from another major or university will be assigned to a selection pool based on the total number of credits they have earned and their completion of College of Education prerequisite courses.
