

BIOMEDICAL ENGINEERING TECHNOLOGY, A.ENG.T.

Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: Altoona, Berks, DuBois, Erie, Fayette, New Kensington, Wilkes-Barre, York

End Campus: New Kensington

Career Paths

Students with a degree in biomedical engineering technology are well positioned for careers in hospitals' clinical engineering departments, medical device companies, or independent service organizations.

Penn State students with an A.ENG.T. in Biomedical Engineering Technology have been successful in pursuing various careers within the Healthcare Technology Management field.

Careers

- Biomedical Engineering Technician/Clinical Engineer in a Hospital
- Field Service Technician
- Repair Technician for a Medical Device Company
- Imaging
- Device Integration Analyst
