

PRODUCT INNOVATION ENTREPRENEURSHIP, CERTIFICATE

Requirements for an undergraduate certificate may be completed at any campus location offering the specified courses for the certificate.

Career Paths

This certificate has applications to all careers as it will provide the student with the entrepreneurial mindset, where you use your creativity, persistence, optimism and educated risk tolerance to solve recognized opportunities. Companies actively seek students with the entrepreneurial mindset as they recognize that these students will become leaders within their organizations.

Opportunities for Graduate Studies

Some of the classes in this program can be applied to the School of Engineering Design and Innovation graduate programs including the Master of Engineering in Engineering Design and the Master of Engineering in Leadership and Innovation Management, and as electives in other programs.
