

COMMUNICATION SCIENCES AND DISORDERS, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Program Requirements

Requirement	Credits
Requirements for the Minor	18

Requirements for the Minor

A grade of C or better is required for all courses in the minor, as specified by Senate Policy 59-10 (<https://senate.psu.edu/students/policies-and-rules-for-undergraduate-students/59-00-minors-and-certificates/>).

In addition, at least six credits of the minor must be unique from the prescribed courses required by a student's major(s).

Code	Title	Credits
Prescribed Courses		
<i>Prescribed Courses: Require a grade of C or better</i>		
CSD 146	Introduction to Communication Sciences and Disorders	3
CSD 269	Deaf Culture	3
Additional Courses		
<i>Additional Courses: Require a grade of C or better</i>		
Select 3 credits from the following:		3
CSD 100	Vocal Health for Life	
CSD 111	Preventing Hearing Loss	
CSD 230	Introduction to Audiology	
CSD 240	Supporting Communication Through The Performing Arts	
CSD 300	Child Language Development	
CSD 311	Clinical Phonetics	
CSD 331	Anatomy and Physiology for Speech and Hearing	
Supporting Courses and Related Areas		
<i>Supporting Courses and Related Areas: Require a grade of C or better</i>		
Select 3 credits in Developmental and Biological Aspects of Communication and Language:		3
APLNG 200	Introduction to Language, Culture, and Social Interaction	
BBH 203	Neurological Bases of Human Behavior	
CSD 230	Introduction to Audiology	
CSD 300	Child Language Development	
CSD 311	Clinical Phonetics

CSD 431	Neuroanatomical and Neurophysiological Foundations of Communication Disabilities	
CSD 433	Aural Rehabilitation	
CSD 451	An Introduction to Augmentative and Alternative Communication	
CSD 462	Clinical Bases of Language Disorders	
HDFS 229	Infant and Child Development	

HDFS 249N	Adult Development and Aging	
LING 1	Language, Life and Society	
LING 100	Foundations of Linguistics	
PSYCH 212	Introduction to Developmental Psychology	
PSYCH 256	Introduction to Cognitive Psychology	
PSYCH 260	Neurological Bases of Human Behavior	
Select 6 credits in Interdisciplinary Connections to Communication Sciences and Disorders:		6
APLNG 491	Theory: Second Language Acquisition	
BBH 468	Neuroanatomical Bases for Disorders of Behavior and Health	
BBH 470	Functional and Integrative Neuroscience	
BIOL 467	Molecular Basis of Neurological Diseases	
BIOL 470	Functional and Integrative Neuroscience	
CSD 431	Neuroanatomical and Neurophysiological Foundations of Communication Disabilities	
CSD 433	Aural Rehabilitation	
CSD 442	Introduction to Disorders of Articulation and Phonology	
CSD 444	Introduction to Organic Disorders of Speech and Language	
CSD 451	An Introduction to Augmentative and Alternative Communication	
CSD 462	Clinical Bases of Language Disorders	
HDFS 428	Infant Development	
HDFS 429	Advanced Child Development	
HDFS 445	Development Throughout Adulthood	
LING 404	Phonology I	
LING 429	Language and Thought	
LING 457	Psychology of Language	
NURS 405A	Nursing Care of the Adult Client with Complex Health Problems: Part A	
PSYCH 413	Cognitive Development	
PSYCH 416	Development Throughout Adulthood	
PSYCH 426	Language and Thought	
PSYCH 455	Cognitive Neuroscience	
PSYCH 457	Psychology of Language	
RHS 403	Medical Aspects of Disability	
SPLD 418	Technologies for Persons with Disabilities
