

INFORMATION TECHNOLOGY ETHICS AND COMPLIANCE, B.S.

Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: Any Penn State Campus

End Campus: University Park

Program Learning Objectives

- Explain the impact of diverse information management structures with attention to justice and equity.
- Evaluate and apply design appropriate methodologies, policies, and practices in information technology to address social issues, design complexities, and equity.
- Define information ethics, explain its role in the information revolution, and evaluate ethical design practices and their interaction with legal frameworks.
- Critically assess emerging technologies and their ethical and societal impacts.
- Communicate with clear, data-supported, critical arguments in individual and/or team reports (written and/or oral), including those advocating for policy, activism, or social justice.
