Career Paths

With a B.S. degree in French, students have a variety of pathways open to them. Our graduates have gone on to pursue a myriad of exciting careers that have allowed them to use their proficiency in the French language, understanding of French and Francophone cultural artifacts, grasp of French and Francophone ways of seeing and making sense of the world, and the skills of critical thinking acquired in our classrooms.

Careers

Our majors have taught in France as Fulbright Scholars or on French government teaching assistantships; worked for the Peace Corps, Homeland Security, the State department, world health organizations, and the non-profit sector; pursued careers in the foreign service; worked in the culinary arts and hotel and restaurant management; held positions in business and management; and gone into film, journalism, advertising, fashion, public relations, and information technology — among many other professions.

Opportunities for Graduate Studies

Our B.S. graduates have gone on to pursue graduate studies domains that represent many fields both in the humanities and in STEM fields. Many have also opted to pursue Law school, Medical school, and advanced degrees in International Politics, Public Health, International Studies, Agriculture and Public Policy.
