Organizational Leadership, B.S. at University Park Campus and World Campus

The course series listed below provides **only one** of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an **Academic Requirements** or **What If** report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of 'C' or better.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and satisfy a portion of that General Education requirement. If the student's program prescribes GWS these courses will replace both ENGL 15/ENGL 30H and CAS 100A/CAS 100B/CAS 100C. Each course is 3 credits.

Advising Notes:

- 24 credits within the major must be completed at University Park (policy 83-80). Talk with your academic adviser for additional details.
- Elective courses are free-choice classes, and students may select any course of interest to satisfy them. A course which satisfies a requirement for an academic minor or certificate may, for example, be used as an elective. Courses completed through studying abroad may be used to satisfy electives as well. Students may also opt to take elective course which will prepare them for more advanced, 400-level supporting courses in the major.
- Any Liberal Arts course with a W or a Y after the course number (e.g. LHR 136Y, LHR 458Y, PHIL 103W, PLSC 17W, or PSYCH 301W) may be used to satisfy the Writing Across the Curriculum requirement. PLEASE NOTE: LHR 136 is **not** the same course as LHR 136Y; LHR 136 does not satisfy the Writing Across the Curriculum requirement.
- Although some courses are approved as US and IL courses, students must complete two separate courses to satisfy **each** of these University requirements. One course may not be used to complete both the US and IL requirements.
- Students must complete two Inter-Domain General Education courses; approved Inter-Domain courses have an N after the course number (e.g., AFAM 100N, SOC 119N, and ENT 202N).
- 3 credits of GHW (General Health & Wellness) are required; students have the option of completing one 3-credit health course or two 1.5 credit activity-based courses.
