Diversity and Inclusion Initiatives

The Ross and Carol Nese College of Nursing's Office for Diversity and Inclusion fosters a welcoming and inclusive community while promoting and enhancing the diversity of the College's students, faculty, and staff. Our goal is to support the College's efforts related to the recruitment, retention, development, and graduation of underrepresented students in Nursing. For more information, please contact 814-863-2229.

Diversity, Inclusion, and Advocacy for Minority Nursing Students (DIAMNS)

DIAMNS aims to create a specialized space for diverse minority nursing students to explore and express their intersectional identities in a supportive environment. DIAMNS specifically plans to emphasize advocacy for underrepresented students, by providing mentorship, resources, and a support system to navigate the unique challenges they may face in the healthcare field.

Study Abroad

B.S.N. students in the General Nursing Option have the opportunity to study abroad. However, due to the sequential nature of the Nursing curriculum, students who wish to stay "on time" with their program may study abroad only during the summer or semester breaks, or with an embedded program of shorter duration. The Ross and Carol Nese College of Nursing offers embedded programs during the academic year for upper-division students. Other international experiences can be arranged through Penn State Global.

Academic Support

The Academic Success Team consists of the student, course coordinators, clinical faculty, Academic Success Coach, Student Success Center adviser, and professionals from a variety of campus resources. Students may be referred to the Academic Success Coach by faculty or staff, or may independently request support for nursing courses starting in the sophomore year.

Multi-Cultural Students Nurses Association (MSNA)

The Multi-Cultural Students Nurses Association was formed to provide an inclusive environment to multicultural students and allies in the nursing major. MSNA coordinates social events and educational opportunities that create a safe space for students to strengthen their community and develop professional skills for career success.
