

RISK MANAGEMENT, B.S.

Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: Abington, Altoona, Berks, Beaver, Brandywine, DuBois, Erie, Fayette, Greater Allegheny, Harrisburg, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Shenango, Schuylkill, University Park, Wilkes-Barre, Scranton, York

End Campus: University Park

Program Description

The Risk Management major prepares students for careers in a wide range of private industries and public service agencies involving such areas as operations, property development, financial strategy, and government. The major is integrative in nature by crossing traditional business boundaries while offering specific areas of study in enterprise risk management, and real estate. High profile risks are faced by leaders and managers up and down the corporate ladder and require specialized skills, knowledge, and preparation. The Risk Management major prepares students for this along with a chance to study risk from various perspectives by offering specialty courses along with a common pool of risk management courses. This structure assures that the students in the risk management major are equipped with the common tools of risk analysis while at the same time permitting the students to tailor the specifics of their training.

Enterprise Management Option

The Enterprise Risk Management Option prepares students to identify, quantify and qualify the regulatory, legal, financial and contractual aspects of enterprise risk; the management of such risks; and the application of risk financing techniques to control risk exposures in organizations. Emphasis is also placed on the understanding of the principles and risks underlying complex business contracts.

Real Estate Option

This option is designed to prepare the student for a wide range of professional opportunities in corporate real estate management, real estate brokerage, appraisal, property management, mortgage lending and banking, development, and governmental service.

What is Risk Management?

Organizations face a wide array of risks in today's rapidly changing and complex business environment. Operations can be disrupted by a variety of unanticipated factors, ranging from external forces like natural disasters and political risks to internal factors like faulty product design and flawed financial systems. CEOs make risky strategic decisions in an increasingly competitive marketplace where the cost of missteps is high. In recent years, firms have encountered new risks in the form of financial mismanagement, global litigation, and the growing costs of human resources.

The goal of Risk Management is to enhance firm value through the optimal treatment of risk. Corporate interest in enterprise risk management has grown steadily in recent years, fueled in part by regulatory mandates for improved risk management systems. In addition, organizations like Standard & Poor's, the Securities and Exchange Commission, and the New York Stock Exchange now require increased

risk management disclosure and assessment in corporate financial statements.

Risk Management can often be categorized into four general areas of risk:

1. Hazard Risk: Lawsuits or damage from natural disasters.
2. Operational Risk: Risk resulting from failed systems, poor design, or worker error.
3. Financial Risk: Excessive operating costs and changes in commodity prices or currencies.
4. Strategic Risk: Corporate gains and losses from changes in consumer demand.

MORE INFORMATION ABOUT RISK MANAGEMENT (<https://undergrad.smeal.psu.edu/majors/risk-management>)

Entrance to Major

Enrollment in a Smeal College of Business major is contingent upon a series of course requirements, grades, credits earned, and cumulative grade-point average (CGPA), along with an application deadline. These requirements are academic and administrative in nature.

Course, CGPA and Administrative Requirements

To be eligible for entrance into the Risk Management (RM_BS) major, a degree candidate must be in Smeal College pre-major status, satisfy the following course and credit requirements, and have a minimum CGPA listed for entrance.

First-Year Students Entering Summer 2026, Fall 2026, and Spring 2027 and who were directly admitted to Penn State as a pre-major (BA_PMAJ) student in the Smeal College of Business must satisfy the following requirements:

1. completed at Penn State, at least 36.0 graded credits but no more than 59.0 graded credits.¹
2. completed with a grade of C or better:
 - a. English - ENGL 15 or ENGL 30H or ESL 15 or ENGL 137H or CAS 137H
 - b. Mathematics - MATH 110 or MATH 140 or MATH 140B
 - c. Statistics - SCM 200 or SCM 200H or STAT 200
3. completed ECON 102 or ECON 102H
4. completed at Penn State (no substitutions or transfers), in addition with a quality grade of "C" or better and no alternative or Pass/Fail (PS) grading:
 - a. Accounting - ACCTG 211 or ACCTG 211H or (ACCTG 201 and ACCTG 202)
 - b. Management - MGMT 301 or MGMT 301H or MGMT 301W
 - c. Marketing - MKTG 301 or MKTG 301H or MKTG 301W
 - d. Finance - FIN 301 or FIN 301H
5. earned a minimum cumulative grade-point average (GPA) of 3.10 for entrance into the RM_BS major. See additional information below for those who fall below a 3.10 GPA.
6. apply for the major during the entrance-to-major application period.

¹ The 59-credit upper limit given for graded Penn State credits is superseded by the Smeal entrance-to-major calendar deadline. Students cannot apply after the entrance-to-major deadline, regardless of credit window status.

Additional Entrance Information

- Smeal pre-major students directly admitted into the Smeal College as first-year students who have a cumulative grade-point average between 2.60 and 3.09 will be considered for the RM_BS major on a space availability basis.
- There is an opportunity for high achieving first-year students to transfer into Smeal pre-major status at the end of their first academic year. This process is competitive, limited and space dependent. Those interested in pursuing second-year entrance must follow the requirements outlined by the Smeal College. For detailed information on this process, refer to Smeal College Office of Undergraduate Education (<https://ugstudents.smeal.psu.edu/academics-advising/get-into-a-smeal-major/smeal-second-year-entry>). Students admitted into the Smeal College as second-year students who have the required coursework and at least a 2.60 cumulative grade-point average will be considered for the RM_BS major on a space availability basis.

Students Who Entered Prior to Summer 2026

Students who entered the University from Summer 2018 through Spring 2026 should view the administrative enrollment controls in the appropriate Undergraduate Bulletin archive (<https://bulletins.psu.edu/undergraduate/archive/>). Students who entered the University prior to the summer 2018 semester should consult with their academic adviser about the administrative enrollment controls in effect for the semester they entered the university.

Degree Completion

Students accepted into the Risk Management (RM_BS) major are expected to enroll at University Park the fall semester after gaining entrance to the major or sooner. In addition, Senate Policy 83-80.5 stipulates that the college dean and program faculty may require up to 24 credits of course work in the major to be taken in the college where the degree is earned. Based on this policy and the College's accreditation standards, the Smeal College of Business program faculty have set the following credit earning limitations for RM_BS majors:

- Eighteen credits of 300/400 level prescribed and additional courses in the major field must be completed with faculty in the Risk Management program.
- Six additional credits of 300/400 level supporting courses must also be completed at University Park. See the Risk Management Suggested Academic Plan for details.

Degree Requirements

For the Bachelor of Science degree in Risk Management, a minimum of 120 credits is required with at least 15 credits at the 400 level:

Requirement	Credits
General Education	45
Electives	14
Requirements for the Major	76

15 of the 45 credits for General Education are included in the Requirements for the Major. This includes: 6 credits of GWS courses (ENGL 15 or ENGL 30H or ENGL 137H/CAS 137H or ESL 15) and (ENGL 202D); 6 credits of GQ courses ((MATH 110 or MATH 140) and (SCM 200 or STAT 200)); 3 credits of GS courses (ECON 102 or ECON 102H).

Requirements for the Major

To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (<https://senate.psu.edu/students/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/>).

Common Requirements for the Major (All Options)

Code	Title	Credits
Prescribed Courses		
BA 342	Socially Responsible, Sustainable and Ethical Business Practice	3
BA 411	Analyzing Business and Industry	3
BLAW 341	Business Law I: Introduction to Contracts, Liability Issues, and Intellectual Property	3
ECON 102	Introductory Microeconomic Analysis and Policy	3
ECON 104	Introductory Macroeconomic Analysis and Policy	3
MIS 250	Introduction to Problem Solving with Spreadsheet Analysis and Information Systems Management	3
SCM 301	Supply Chain Management	3
<i>Prescribed Courses: Require a grade of C or better</i>		
ACCTG 211	Financial and Managerial Accounting for Decision Making	4
ENGL 202D	Effective Writing: Business Writing	3
FIN 301	Corporation Finance	3
MGMT 301	Basic Management Concepts	3
MKTG 301	Principles of Marketing	3

Additional Courses

<i>Additional Courses: Require a grade of C or better</i>		
MATH 110	Techniques of Calculus I	4
or MATH 140	Calculus With Analytic Geometry I	
SCM 200	Introduction to Statistics for Business	4
or STAT 200	Elementary Statistics	
Select 3 credits from the following:		3
ENGL 15	Rhetoric and Composition	
ENGL 30H	Honors Rhetoric and Composition	
ENGL/CAS 137H	Rhetoric and Civic Life I	
ESL 15	ESL Composition for American Academic Communication II	

Supporting Courses and Related Areas

Attainment of 12th credit level proficiency in a single world language.	4
Proficiency must be demonstrated by either examination or coursework.

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (<https://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/>) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required and Inter-Domain courses do not meet this requirement.)

- **Quantification (GQ):** 6 credits
- **Writing and Speaking (GWS):** 9 credits

Breadth in the Knowledge Domains (Inter-Domain courses do not meet this requirement.)

- **Arts (GA):** 3 credits
- **Health and Wellness (GHW):** 3 credits
- **Humanities (GH):** 3 credits

- **Social and Behavioral Sciences (GS):** 3 credits
- **Natural Sciences (GN):** 3 credits

Integrative Studies

- **Inter-Domain Courses (Inter-Domain):** 6 credits

Exploration

- **GN**, may be completed with Inter-Domain courses: 3 credits
- **GA, GH, GN, GS, Inter-Domain courses.** This may include 3 credits of World Language course work beyond the 12th credit level or the requirements for the student's degree program, whichever is higher: 6 credits

University Degree Requirements**First Year Engagement**

All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement

6 credits are required and may satisfy other requirements

- **United States Cultures:** 3 credits
- **International Cultures:** 3 credits

Writing Across the Curriculum

3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits

A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work

Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition

The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (<https://senate.psu.edu/students/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/>)). For more information, check the Suggested Academic Plan for your intended program.

Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of

both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Suggested Academic Plan

The suggested academic plan(s) listed on this page are the plan(s) that are in effect during the 2026-27 academic year. To access previous years' suggested academic plans, please visit the archive (<https://bulletins.psu.edu/undergraduate/archive/>) to view the appropriate Undergraduate Bulletin edition.

Enterprise Risk Management Option: Risk Management, B.S. at University Park Campus

The course series listed below provides **only one** of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an **Academic Requirements** or **What If** report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.

First Year

Fall	Credits Spring	Credits
PSU 6	1 MGMT 301 ^{1,2}	3
(MATH 110 or MATH 140) or (SCM 200 or STAT 200) (GQ) ^{1,2}	4 (SCM 200 or STAT 200) or (MATH 110 or MATH 140) (GQ) ^{1,2}	4

General Education Course (N) ⁴	3 General Education Course ⁴	3
Elective ⁴	2 Elective ⁴	3
	14	15

Total Credits 120

¹ Course requires a grade of C or better

² Entrance-to-Major Course – complete prior to attaining 59 cumulative credits at Penn State

³ Attain 12th credit level proficiency in a world language (0-12 credits). Credits required vary based on predetermined skill level. Balance of remaining credits are taken as electives. American Sign Language does not satisfy the Smeal College world language requirement.

⁴ When planning general education and elective courses, students should factor in the following requirements:

- 3 credits of United States Culture (US)
- 3 credits of International Culture (IL)
- 6 credits of Inter-Domain (N) coursework

⁵ See the Business Breadth Course list on the Smeal College website.

⁶ See the Risk Management Department website for the list of RM-ERM electives.

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain)

requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of 'C' or better.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and satisfy a portion of that General Education requirement. If the student's program prescribes GWS these courses will replace both ENGL 15/ENGL 30H and CAS 100A/CAS 100B/CAS 100C. Each course is 3 credits.

College and Department Notes:

- I. The Smeal College of Business requires that the following entrance-to-major courses be taken at Penn State: ACCTG 211 or (ACCTG 201 and ACCTG 202), MGMT 301, MKTG 301, and FIN 301.
- II. Pursuant to the Association to Advance Collegiate Schools of Business (AACSB) accreditation standards, the Smeal College of Business requires that all upper division courses within the departments sponsoring the major be completed in residence at University Park under the instruction of Smeal College faculty.

Enterprise Risk Management Option: Risk Management, B.S. at Commonwealth Campuses

The course series listed below provides **only one** of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an **Academic Requirements** or **What If** report). Career Paths

Corporations and non-profits have turned to risk management to protect themselves from the adverse consequences of all of these risks. Risk analysis touches a wide range of systems including management and control of risk and legal, political, economic, and property risk assessment. This rigorous program of study is designed to prepare students for careers in risk management, compliance, risk analysis, and government agencies that demand quantitative and qualitative skills needed to meet modern risk assessment requirements.

Risk Management (RM_BS) prepares students to work in the risk management departments of major multinational and domestic corporations. The risk management function interacts with a firm's

internal and external auditing functions and reports to the Board of Directors and senior offices of publicly traded companies. Demand for risk management expertise has grown throughout the economy since 2000, especially among healthcare, energy, and financial services firms. Students are recruited in these areas and by firms in industries related to risk management, including accounting firms, insurance companies, insurance brokerage, consultancy, and benefits management.

Average starting salaries for full-time employment are in the \$60,000 range. Internships are paid experiences with hourly rates around \$20.00 an hour.

Accreditation

The Smeal College of Business B.S. degree in Risk Management (RM_BS) is recognized by the AACSB (Association to Advance Collegiate Schools of Business) as an accredited program after completing a meticulous internal review and meeting all AACSB standards and requirements.
