

MULTIDISCIPLINARY STUDIES, B.A. (UNIVERSITY COLLEGE)

Seven Penn State campuses are scheduled for closure after Spring 2027: DuBois, Fayette, New Kensington, Mont Alto, Shenango, Wilkes-Barre, and York. New students are not being admitted at these campuses.

Begin Campus: Any Penn State Campus

End Campus: Brandywine, DuBois, Greater Allegheny, Hazleton, Mont Alto, Scranton, Shenango

Program Learning Objectives

Brandywine Campus

- **Communicating Across Perspectives:** Students will be able to communicate and engage meaningfully and respectfully with others who have different perspectives or world views.
- **Integration:** Students will be able to integrate multiple disciplines of their chosen theme in a major course project, or in the articulation of a coherent multidisciplinary academic program in the Multidisciplinary Studies Proposal.
- **Knowledge:** Students will demonstrate proficient academic knowledge of key theories and approaches in more than one academic or professional discipline.
- **Method or Process:** Students will be able to apply rigorous empirical or creative methods and processes to research specific to their multiple disciplinary specializations.

DuBois, Greater Allegheny, Hazleton, Mont Alto, Scranton, Shenango Campuses

- **Application:** Students will be able to apply empirical or creative processes specific to their fields of specialization.
- **Communication:** Students will be able to communicate clearly and persuasively the integration of their learning of multiple disciplines in a degree program that reflects their theme.
- **Engagement:** Students will be able to engage meaningfully and respectfully with others who have different perspectives or world views.
- **Synthesis:** Students will be able to synthesize multiple disciplinary perspectives into an intellectual or professional identity.
