

COLLEGE OF MEDICINE COURSES

A

- Anatomy - MD (ANAT) (<https://bulletins.psu.edu/university-course-descriptions/medicine/anat/>)
- Anesthesiology - MD (ANSTH) (<https://bulletins.psu.edu/university-course-descriptions/medicine/ansth/>)

C

- Cardiology - MD (CAR) (<https://bulletins.psu.edu/university-course-descriptions/medicine/car/>)
- Career Exploration and Synthesis (CES) (<https://bulletins.psu.edu/university-course-descriptions/medicine/ces/>)
- Clinical Scientist Research (CSR) (<https://bulletins.psu.edu/university-course-descriptions/medicine/csr/>)
- Clinical Scientist Training (CST) (<https://bulletins.psu.edu/university-course-descriptions/medicine/cst/>)
- Complementary Alternative Medicine (CAM) (<https://bulletins.psu.edu/university-course-descriptions/medicine/cam/>)
- Consolidation (CONSD) (<https://bulletins.psu.edu/university-course-descriptions/medicine/consd/>)
- Culinary Medicine (CULMD) (<https://bulletins.psu.edu/university-course-descriptions/medicine/culmd/>)

D

- Dermatology - MD (DERM) (<https://bulletins.psu.edu/university-course-descriptions/medicine/derm/>)

E

- Emergency Medicine - MD (EMED) (<https://bulletins.psu.edu/university-course-descriptions/medicine/emed/>)
- Endocrinology and Reproductive Medicine (ENREP) (<https://bulletins.psu.edu/university-course-descriptions/medicine/enrep/>)

F

- Family and Community Medicine - MD (FCMED) (<https://bulletins.psu.edu/university-course-descriptions/medicine/fcmcd/>)
- Form and Function (FORM) (<https://bulletins.psu.edu/university-course-descriptions/medicine/form/>)
- Foundations of Patient Centered Care (FPCC) (<https://bulletins.psu.edu/university-course-descriptions/medicine/fpcc/>)

G

- Gastroenterology - MD (GI) (<https://bulletins.psu.edu/university-course-descriptions/medicine/gi/>)
- Global Health (GH) (<https://bulletins.psu.edu/university-course-descriptions/medicine/gh/>)

H

- Humanities - MD (HMN) (<https://bulletins.psu.edu/university-course-descriptions/medicine/hmn/>)

I

- Independent Study (INDEP) (<https://bulletins.psu.edu/university-course-descriptions/medicine/indep/>)

M

- Medical Home Curriculum (MHC) (<https://bulletins.psu.edu/university-course-descriptions/medicine/mhc/>)
- Medical Student Research (MSR) (<https://bulletins.psu.edu/university-course-descriptions/medicine/msr/>)
- Medical Triage and Resuscitation (MEDTR) (<https://bulletins.psu.edu/university-course-descriptions/medicine/medtr/>)
- Medicine - Interdisciplinary (MDADM) (<https://bulletins.psu.edu/university-course-descriptions/medicine/mdadm/>)
- Medicine - MD (MED) (<https://bulletins.psu.edu/university-course-descriptions/medicine/med/>)
- Musculoskeletal System (MSK) (<https://bulletins.psu.edu/university-course-descriptions/medicine/msk/>)

N

- Neural and Behavioral Science (NBS) (<https://bulletins.psu.edu/university-course-descriptions/medicine/nbs/>)
- Neuroscience - MD (NEURO) (<https://bulletins.psu.edu/university-course-descriptions/medicine/neuro/>)
- Neurosurgery (NSURG) (<https://bulletins.psu.edu/university-course-descriptions/medicine/nsurg/>)

O

- Obstetrics and Gynecology - MD (OBGYN) (<https://bulletins.psu.edu/university-course-descriptions/medicine/obgyn/>)
- Ophthalmology (OPHTH) (<https://bulletins.psu.edu/university-course-descriptions/medicine/opth/>)
- Orthopaedics (ORTHO) (<https://bulletins.psu.edu/university-course-descriptions/medicine/ortho/>)
- Otolaryngology (OTO) (<https://bulletins.psu.edu/university-course-descriptions/medicine/oto/>)

P

- Pathology - MD (PATH) (<https://bulletins.psu.edu/university-course-descriptions/medicine/path/>)
- Patients and Sciences (PS) (<https://bulletins.psu.edu/university-course-descriptions/medicine/ps/>)
- Pediatrics - MD (PED) (<https://bulletins.psu.edu/university-course-descriptions/medicine/ped/>)
- Physical Medicine and Rehabilitation (PMR) (<https://bulletins.psu.edu/university-course-descriptions/medicine/pmr/>)
- Physician Assistant Studies (PAS) (<https://bulletins.psu.edu/university-course-descriptions/medicine/pas/>)
- Primary Care Medicine (PCMED) (<https://bulletins.psu.edu/university-course-descriptions/medicine/pcmed/>)
- Problem-Based Learning Facilitation - MD (PBL) (<https://bulletins.psu.edu/university-course-descriptions/medicine/pbl/>)
- Psychiatry - MD (PSCHT) (<https://bulletins.psu.edu/university-course-descriptions/medicine/pscht/>)

R

- Radiology (RAD) (<https://bulletins.psu.edu/university-course-descriptions/medicine/rad/>)
- Renal Medicine - MD (REN) (<https://bulletins.psu.edu/university-course-descriptions/medicine/ren/>)
- Respiratory Medicine (RESP) (<https://bulletins.psu.edu/university-course-descriptions/medicine/resp/>)

S

- Sciences Health Systems (SHS) (<https://bulletins.psu.edu/university-course-descriptions/medicine/shs/>)
- Scientific Principles of Medicine (SPM) (<https://bulletins.psu.edu/university-course-descriptions/medicine/spm/>)
- Students as Educators (SAE) (<https://bulletins.psu.edu/university-course-descriptions/medicine/sae/>)
- Surgery - MD (SURG) (<https://bulletins.psu.edu/university-course-descriptions/medicine/surg/>)

T

- Transition (TRANS) (<https://bulletins.psu.edu/university-course-descriptions/medicine/trans/>)
- Transition Clinical Medicine (TCM) (<https://bulletins.psu.edu/university-course-descriptions/medicine/tcm/>)
- Translating Health Systems Science (THS) (<https://bulletins.psu.edu/university-course-descriptions/medicine/thhs/>)

U

- Underserved Medicine and Domestic Health (UMDH) (<https://bulletins.psu.edu/university-course-descriptions/medicine/umdh/>)
